Cumhuriyet
SUCUKLARI

One of the recognized Cumhuriyet Kasabı of the notable people of Afyonkarahisar, Kasap Kara Mehmet opens a buther shop in the 1920s and names it "Cumhuriyet" (the Republic) with the feelings of the period. As the Cumhuriyet Kasabı meets needs of the people of Afyonkarahisar, Kasap Kara Mehmet develops a delicious formula with attentively prepared Soujouk. The Soujouk gain popularity first in Afyonkarahisar and then all around Turkey as time goes by. Cumhuriyet Sucukları now become an indisputable taste for everyone. After Kasap Kara Mehmet passes away, his sons, the Ahmet and Ömer Kocaşaban brothers, work day and night in order to create a brand of the Cumhuriyet Sucukları and capture the hearts with both Afyonkarahisar Soujouk and the Cumhuriyet brand. Available all around Turkey, the Cumhuriyet Sucukları also became a souvenir from Afyonkarahisar, where thousands of cars pass through every day. Having secured a production structure conforming to Turkish and World standards owing to the developing technology, the brand Cumhuriyet Sucukları has never compromised with the traditional taste for around a century. Cumhuriyet Sucukları has never changed the meat and spice qualities and the unique formula created by Kasap Kara Mehmet since the day of foundation and is the leading brand among the prides of Afyonkarahisar.
